Objective

To secure a free internship opportunity at IIIT Hyderabad in the AIML domain, contributing to the development of a Telugu LLM. I aim to learn machine learning, while gaining hands-on experience in cutting-edge language technologies.

Education

- B. Tech in Computer Science Engineering (Data Science)
- Keshav Memorial Institute of Technology, Hyderabad, Telangana
2023 - Present
- CGPA: 7.85 (1st Year Average)

Technical Skills

- Programming Languages: Java, Python, C,C++
- Web Development: JavaScript, Node.js, Express.js, MongoDB, MySQL, React JS
- Other Skills: Communication, Problem-solving, Perseverance

Projects

- IoT-based Voice Enabling System
 - Role: Team Member (Backend Development)
 - Description: Collaborated on a group project to develop an IoT-based system that integrates voice recognition technology for device control.
 - Technologies Used: JavaScript, Node.js, WebSocket, MongoDB
 - Responsibilities:
 - Designed and implemented backend architecture to handle voice commands.
 - Managed communication between the backend, frontend, and hardware devices.
 - Ensured data flow integrity and optimized system performance.

- Customer Prominence Prediction for Health Insurance
 - Role: Team Member (Backend and ML Integration)
 - Description: Built a web-based deep learning system to classify customers as prominent or not for health insurance companies based on behavioral data.
 - Technologies Used: React, Node.js, MongoDB, Python, Deep Learning (ANN/RNN)
 - GitHub: https://github.com/mubashir658/Insurance_Project2.git

Achievements

- • Successfully completed a complex IoT project and Insurance Project within the stipulated time frame.
- • Achieved a CGPA of 7.85 in the 1st year of B.Tech.
- • Demonstrated strong problem-solving skills and teamwork during academic and project collaborations.

Strengths

- • Perseverance and dedication to learning new technologies.
- • Strong communication and teamwork skills.
- • Ability to adapt quickly to new challenges and environments.

Declaration

I hereby declare that the information provided above is true to the best of my knowledge.
